EDUCATION

Master's in Architectural and Cultural Heritage — *Apr 2022 – Sep 2025*

Anhalt University of Applied Sciences, Dessau, Germany

Thesis: *Resilience and Renewal: The Adaptive Transformation of Berlin's War-Damaged Infrastructure to a Changing Cityscape*

Advisor: Dr. Rudolf Lückmann

Bachelor of Architecture (B.Arch.) — *Mar 2012 – Oct 2018*

Khulna University, Khulna, Bangladesh

Thesis: *Integration of Heritage into the Urban Fabric for Sustainable Development of Mymensingh, Bangladesh*

Advisor: Dr. Sheikh Serajul Hakim

RESEARCH PROJECTS

Nine Dome Mosque, Bagerhat: Heritage Documentation (Course Project) — *Aug 2022*

- Carried out a complete documentation of the Nine Dome Mosque, a 15th-century mosque in Bagerhat, Bangladesh
- Recorded the mosque's dimensions and material conditions on site, producing mapped drawings and a report using Metigo MAP

Barobazar, Jhenaidah: Sultanate Architecture Documentation (Independent Project) — *Aug 2022*

- Documented the Sultanate-era architecture of Barobazar, Jhenaidah, through site survey, photography, measured drawings and archival research
- Wrote an explanatory article on the site's architectural features and heritage significance for a heritage magazine (unpublished)

PROFESSIONAL EXPERIENCE

Plan to Perfection (P2P), Chattogram, Bangladesh | Architect — *Oct 2020 – Mar 2022*

- Coordinated design implementation and site management for a community library in Rajshahi, integrating research-driven solutions to meet community needs
- Delivered the Finley residential building, a 14-story project in Chattogram, from concept design through complete working drawings and documentation
- Resolved design conflicts before construction by integrating architectural drawings with input from structural and MEP consultants

In Depth Architecture (IDA), Dhaka, Bangladesh | Assistant Architect — *Jan 2019 – Sep 2020*

- Conducted design evaluation and technical analysis of an 11-story building, applying spatial efficiency and sustainable design principles
- Developed conceptual and design models for the renovation of an existing building into the Nestlé Bangladesh Distribution Center
- Liaised with local authorities to secure approvals for a 6-story residential building in Dhaka, ensuring compliance with the Bangladesh National Building Code (BNBC)

Venna Architects, Dhaka, Bangladesh | Intern Architect — *Oct 2019 – Dec 2019*

- Participated in schematic design and design development
- Prepared construction documents and reports

AWARDS & RECOGNITION

Selected for Publication, De-urbanised Epidemics International Competition — *Feb 2021*

Project: *Quality Education at Far End!*

- Designed a school within an apartment setting to keep education accessible during the COVID-19 pandemic, integrating social impact and adaptive design solutions

Winner, Oxfam & Dhaka Art Center Poster Design Competition — *May 2013*

Theme: *Right to Food*

- Created a poster on food insecurity and poverty, combining research-based insights with visual storytelling to communicate social issues

WORKSHOPS & SEMINARS

Half-Timber (Fachwerk) Architecture — *Sep 2024*

Anhalt University of Applied Sciences, Germany

Enhancing Climate Resilience of Heritage Sites in the Coastal Region of Bangladesh — *Oct 2019*

UNESCO

PROFESSIONAL AFFILIATIONS

Associate Member, Institute of Architects Bangladesh (IAB) — *2023 – present*

Membership No. AG-024
